

The Raleigh-Durham-Chapel Hill Triangle Chapter of the Antique and Classic Boat Society, Inc. was officially formed on January 15, 2005 to provide a means through which individuals sharing a common interest in antique and classic boats can meet, share

experiences and information, exchange ideas, and generate enthusiasm for all aspects of these unique boats.

We also promote and sponsor classic boating events, such as our **Fourth Annual Antique and Classic Boat Show at Lake Wheeler (September 25 – 26th, 2009)**, as well as educate our membership and the general public about these great craft. We partner with other clubs and organizations to promote awareness and appreciation for the history, research, repair, and restoration of these grand old boats to preserve them for future generations.

First and foremost, the **RDC Triangle Chapter** is all about having fun on the water and using these boats in the company of friends. We are a family-friendly and family-oriented club with an active calendar of social events offering something for everyone, including cruises on local and regional lakes – such as our annual Fall Foliage Cruise – and parties, including our annual Think Spring Party. We also conduct a series of hands-on workshops to educate members on various aspects of boat restoration, maintenance, and repair.

You don't even need to own an antique or classic boat, and in fact many of our members don't – the only thing necessary is an interest and enthusiasm for these boats. If you enjoy the beauty of a wooden or classic 'glass boat and like to have a good time, then we're the club for you!
